Customer-focused professional specializing in client onboarding, implementation, and user adoption for web and mobile applications. Skilled at translating technical concepts into clear client guidance and driving successful post-launch outcomes.

EXPERIENCE

Software Implementation Specialist

February 2024 – Present

eCare Software - (Remote)

- Translated technical functionality into clear, client-friendly guidance to ensure confidence and long-term product adoption
- Served as the primary point of contact for clients during implementation, guiding them through system setup and integrations
- Delivered client training on user workflows including authentication, forms, and UI navigation to drive adoption and end-user success
- Partnered cross-functionally with support and engineering teams to quickly resolve post-launch issues, improving product stability and customer satisfaction
- Led onboarding and implementation of mobile and web applications for healthcare, roadside assistance, and education clients, ensuring smooth and successful go lives

Sales Development Representative

August 2021 - July 2023

Thomson Reuters - Carrollton, TX

- Identified opportunities within new and existing accounts and partnered with sales specialist to support account growth
- Managed relationships with 200+ client accounts, focusing on long-term satisfaction, retention, and product adoption
- Maintained detailed client engagement data in Salesforce CRM to track adoption trends and identify expansion opportunities
- Collaborated with marketing and senior sales team to develop targeted outreach campaigns to increase customer engagement with products and services

Account Developer

November 2020 - May 2021

Intuit - Plano, TX

- Delivered monthly forecasting and client performance insights to senior leadership
- Worked cross-functionally with product team to introduce new features and updates to key clients
- Assisted clients in submitting and tracking technical support tickets while setting clear expectations
